**Subject:** chemist discovery packet for [REDACTED]

Hi Della-

I'm working on the discovery packet for [REDACTED] which was faxed to me last week from the Boston lab. You did the MS for two of the numbers - [REDACTED] analyzed on 3/5/2004. Do you know about this? Have you supplied copies of the data to Suffolk County DAs office yet, or do I need to get a copy from you? Does Boston send the actual data? Or just the control sheets? Also, do you guys submit the whole chain of custody (inc. back to the police), or just the drug receipt (the only part of the chain that Janice faxed me was the receipt)? I just want to make sure that I give the same info to the DAs office that the Boston lab does so it won't cause any possibly questions later if a defense attorney is expecting more or less than they have been getting. Thanks.

-Sonja
